Let's be remarkable.

Start something big today. Apply now:

Trainee in Project Management Quality department (f/m)

Project Management Quality department

Location: Pecinci

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology – with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch. At Bosch, we develop, examine and enhance new systems, components and technologies. Our aim is simple – improving lives. As a technology leader and global partner of the automotive and automotive supplier industry the business unit Electrical Drives develops and manufactures within an international community innovative electric drives for actuating systems, engine cooling, vehicle air conditioning and windshield cleaning.

At our Pecinci location we are manufacturing and developing wiper systems and wiper blades. By providing a wide product range of innovations and doing pioneer work since decades our customers receive products which help amongst others to save fuel and reduce CO2 emissions.

Your contribution to something big

- ▶ Creation of Target Reports for Sampling Process
- ▶ Coordination of PPAP Process of Purchased Components
- ▶ Preparation of Sourcing Decisions
- ▶ Project management in Bosch Project management IT system
- ▶ Tracking of Critical Projects & Reporting

What distinguishes you

- ▶ Proactive and driven with attention to details
 - ▶ Target oriented thinking
 - ▶ Good communication and organization skills
 - ▶ Reliability and ability to work in team
 - ▶ Good at multitasking
 - ▶ Previous SAP experience will be considered as advantage
 - ▶ Advanced knowledge of English is mandatory
- ▶ Preferred field of study is **Faculty of Mechanical Engineering, Faculty of Technical Science, Faculty of Industrial Engineering** and other comparable field of study

Make it happen.
