Let's be remarkable.

Start something big today. Apply now:

## Trainee in Manufacturing department (f/m)

Manufacturing department – Wiper blades area (MSE1)

Location: Pecinci

**Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology – with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.** As a technology leader and global partner of the automotive and automotive supplier industry the business unit Electrical Drives develops and manufactures within an international community innovative electric drives for actuating systems, engine cooling, vehicle air conditioning and windshield cleaning. At our Pecinci location we are manufacturing and developing wiper systems and wiper blades. By providing a wide product range of innovations and doing pioneer work since decades our customers receive products which help amongst others to save fuel and reduce CO2 emissions.

### Your contribution to something big

- ▶ Daily support of manufacturing engineers
- ▶ Keeping track of technical losses
- ▶ Printing work instructions for solving technical issues
- ▶ Cooperation with other departments
- ▶ Supporting technical departments with creation of development programs for technicians
- ▶ Involvement in improving projects

### What distinguishes you

- ▶ Good at generating new ideas and improvements
  - ▶ Proactive and driven with attention to details
  - ▶ Good knowledge of MS Office
  - ▶ Creative and good at multitasking
  - ▶ Reliability and ability to work in a team
  - ▶ Good communication and organization skills
  - ▶ Good knowledge of English
- ▶ Preferred field of study: **Faculty of Mechanical Engineering, Faculty of Technical Sciences, Faculty of Electrical Engineering** or comparable field of study

### Make it happen.
