Belgrade, 16 March 2015

Prof. Dr. Vladimir Bumbaširević
Rector
University of Belgrade

Dear Rector, *Distinguished Professor,*

We firmly believe that enhancing cooperation and solidarity in scientific and academic fields will enable us to further deepen whole range of bilateral relations between Turkey and Serbia.

In this context, I would like to bring to your kind attention the fact that the Government of the Republic of Turkey is providing scholarships on a wide range of research and study subjects under the program of "Türkiye Scholarships". We would like to encourage University of Belgrade students to apply for these scholarships offered in the fields of social sciences, Turkish language, science and technology and so forth.

The attached booklets and posters contain detailed information on these scholarships, as well as the www.turkiyescholarships.gov.tr website. We would highly appreciate it if you could announce the scholarships to the relevant faculties and departments of the University of Belgrade.

As always please do not hesitate to contact our Embassy (Mr. Vedat Gül, Counsellor, e-mail: vgul@mfa.gov.tr) shall you need further clarification and assistance on this subject.

Looking forward to further improving our cooperation, I remain,

Yours sincerely,

Mehmet Kemal Bozay
Ambassador of the Republic
of Turkey to Serbia
