First Call for Abstracts

53rd CIRP Conference on Manufacturing Systems

Dear Colleague,

We are very pleased to announce the **First Call for Abstracts** of the **53rd CIRP Conference on Manufacturing Systems** dedicated to providing an international forum of researchers a place to share and discuss visions, state of the art and innovations in the field, to disseminate the recent advances, views and perspectives, and thus, to generate a significant impact on the future of manufacturing systems.

Chicago, IL, USA July 1st - 3rd, 2020

Conference Topics

Topics may include, but are not limited to:

- Manufacturing systems – design, modeling, process monitoring, planning, control, reconfiguration, networking, etc.
- Artificial intelligence, predictive analytics
- Cyber-physical systems, cybersecurity
- Digital manufacturing, IoT, digital twins

KEY DATES

Abstract Submissions:	October 1, 2019
Full Paper Submission:	February 1, 2020

Registration Opens:	February 1, 2020
Full Paper Acceptance:	March 1, 2020
