2020

Advances in
Production
Management
Systems
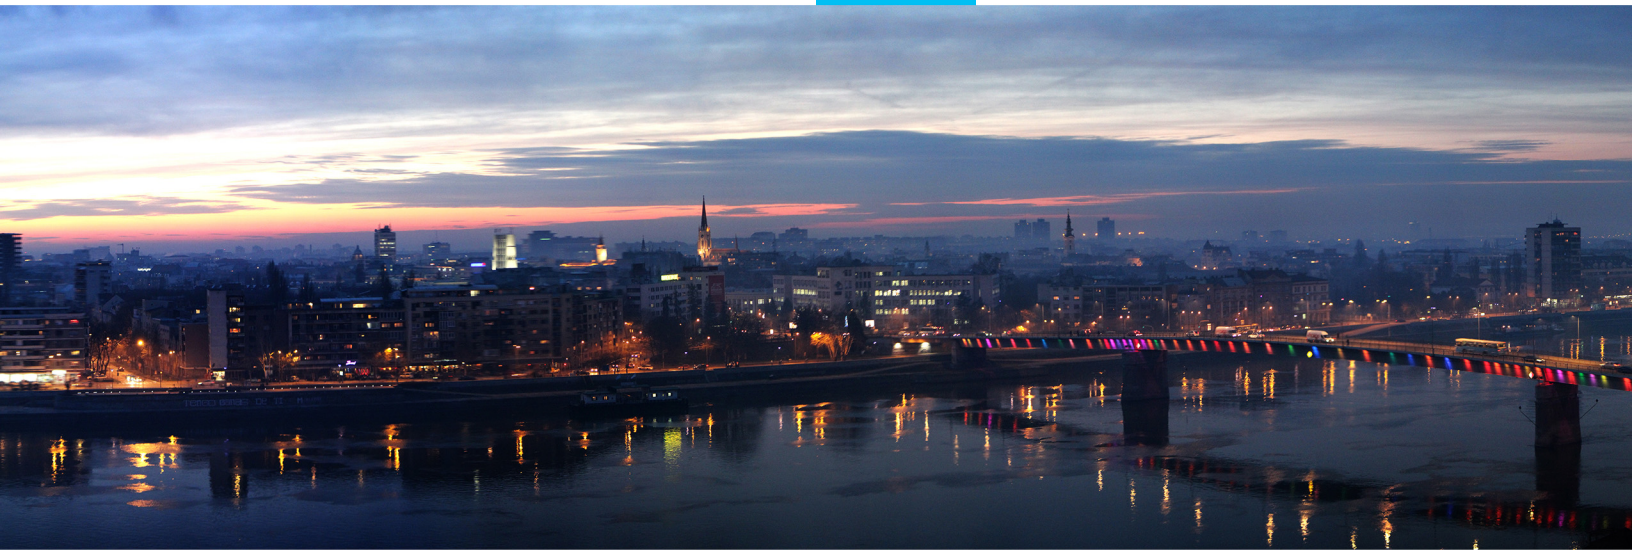

"The path to digital transformation and innovation of production management systems"

CONFERENCE VENUE
The rectorate building of the University of Novi Sad is located at the central campus on the left bank of the Danube, across the famous 18th century Petrovaradin fortress, and the walking distance from the city old town.

UNIVERSITY OF NOVI SAD
The second largest university in the Republic of Serbia with 50.000 students and 13 faculties in four cities. University of Novi Sad proudly hosted numerous international conferences in the different scientific fields, like GATT, ICPR 81, etc. (www.uns.ac.rs)

FACULTY OF TECHNICAL SCIENCES
The biggest faculty in the region with around 15.000 students educated in almost all engineering fields. Faculty has 13 departments with 52 chairs. (www.ftn.uns.ac.rs)

DEPARTMENT OF INDUSTRIAL ENGINEERING AND MANAGEMENT (DIEM)
Established in late 1960's as the Chair for organization and work improvement. In 1979, it became Institute of industrial systems and founded first center for technology transfer to industry – Research&Technology Center. Institute was upgraded to Department of Industrial Engineering and Management in 1999. Today employees 148 academic staff and researchers; having 3.500 students at all levels of education.

CITY OF NOVI SAD
Novi Sad, the city on the Danube, the city of European history and Balkan hospitality. It is the city of museums, galleries, and events such as EXIT Music Festival that has been awarded international rewards and that has acquired international recognizability. New creative energy brought about by youth groups and organizations has contributed, along with the already recognizable traditional platform, to turn Novi Sad into the European Capital of Culture 2021 and European Youth Capital 2019.
