ZF E-Generation Internship

Technical departments within our plant in Pančevo

Join 5th generation of interns and gain first work experience with experts in automotive industry within e-mobility division in ZF Serbia.

What are we looking for:

- Final year student of bachelor or master studies or a recent graduate
- Up to one year of work experience
- Intermediate level of English, proficiency in MS Office
- Proactive and team-oriented individual

What can you expect:

- Paid internship program from 3 to 6 months
- Opportunity to gain hands-on work experience and start career in global automotive company
- Training on the job with an assigned mentor who will provide guidance throughout the program
- Learning from the best in the field, making new connections and building professional network
- Exclusive chance of becoming a ZF full-time employee

Start your career within next departments:

Engineering

You will have an opportunity to get familiar with manufacturing technologies, industrial engineering and automation, digitalization of information stream, etc. As an intern in the core of the business, you will be included in daily topics of engineering like process status data collection, participating in daily production meetings, attending problem solving and process improving meetings, preparing reports and data analysis.

Maintenance

You will have a chance to learn about the work of automatic machines and lines, and their preventive, predictive and corrective maintenance, as well as drafting maintenance instructions and monitoring and implementation of total preventive maintenance.

Quality Engineering

You will participate in the process of risk analysis of production functions and features in product development phase. As an intern in Quality department you will get to know different quality tools in automotive industry like FMEA.

Logistics

You will be taking an active role in various stages of logistics process, from receiving process, up to ordering materials, design and ordering packaging and delivering finished goods.

Apply until **31.03.2024.**
See you!
